work experience

Production Artist | First String

2022 – present
I create, package, and facilitate the production of screenprinted and embroidered merchandise for schools, athletic organizations, and businesses.

Design Internship | Plotline Productions

June 2022 – Dec. 2022
I designed creative pitch decks, vehicle murals, and promotional marketing products for various sub-organizations of Plotline Productions.

Campus Graphic Designer | Colorado Mesa University

2021 – 2022
I collaborated in a team of designers to create graphic design work for departments, organizations, clubs, and off-campus clients for Colorado Mesa University.

Magazine Designer | 46pgs. Magazine

2022 – present
I design visual and typographic spreads as well as social media posts to be published by 46pgs.

Marketing Assistant | Environment Control

2020 – 2022
I aided in the marketing processes of promotional products, employee training, and competition research to better the company and adapt to a more modern market.

Supervisor of Daytime Cleaners | Environment Control

2019 – 2020
I trained, managed, and assisted a large team of daytime cleaners over multiple job sites in the Denver Metro Area.

Lead Floor Technician | Environment Control

2016 – 2019
I led a team of skilled floor technicians in various floor cleaning, resurfacing, and repairing jobs in the Denver Metro Area.
